

Registration Form

The screenshot shows a web application titled "Student Information Registration System". It features a registration form with the following fields: "Name" (text input), "Gender" (radio buttons for Male and Female), "Matric No." (text input), "Email" (text input), and "Course" (dropdown menu with "Software Engineering" selected). Below the form are a "Submit" button and a "Back to User List" button.

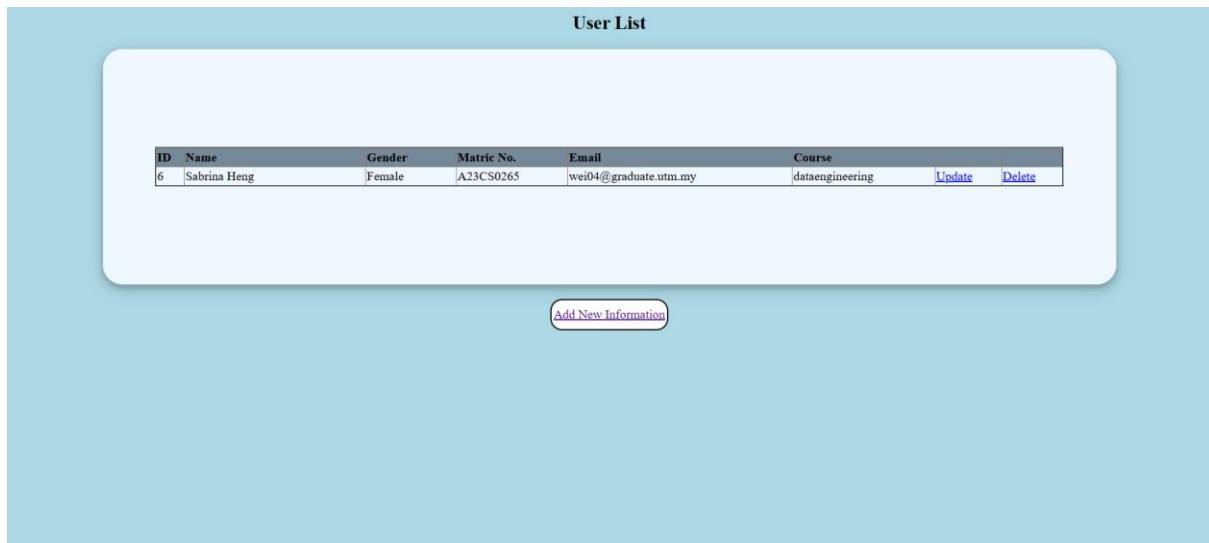

Students are prompted to enter their information such as name, gender, matric no., email and course.

This screenshot shows the same registration form after a successful submission. The fields are now populated with the following data: "Name" is "Sabrina Heng", "Gender" has "Female" selected, "Matric No." is "A23CS0265", "Email" is "wei04@graduate.utm.my", and "Course" is "Data Engineering". The "Submit" button and "Back to User List" button remain visible below the form.

After entering all of the information of student, press the SUBMIT button and it will show that the new record is added successfully.

Student List

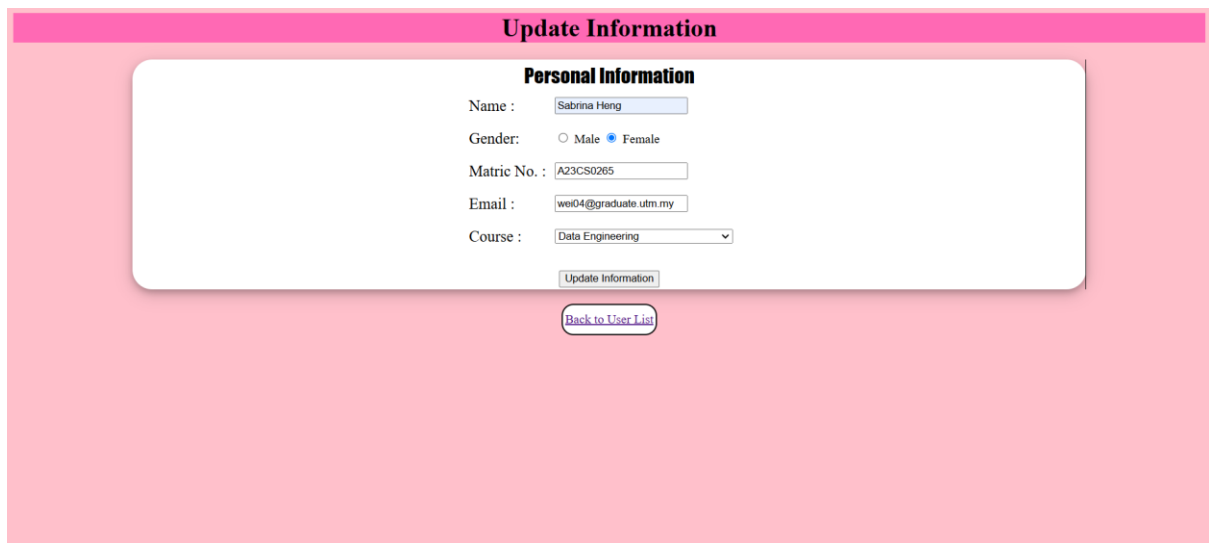

The screenshot shows a web interface titled "User List" on a light blue background. Inside a white rounded rectangle, there is a table with the following data:

ID	Name	Gender	Matric No.	Email	Course		
6	Sabrina Heng	Female	A23CS0265	wei04@graduate.utm.my	dataengineering	Update	Delete

Below the table, centered, is a button labeled "Add New Information".

The information that entered by student has been recorded and save into the user list. In here, the admin able to Update or Delete the data of the student information.

Update Form

The screenshot shows a web interface titled "Update Information" on a pink background. Inside a white rounded rectangle, there is a form titled "Personal Information" with the following fields:

- Name :
- Gender: ☐ Male ☒ Female
- Matric No. :
- Email :
- Course :

Below the form, centered, are two buttons: "Update Information" and "Back to User List".

This form is similar with the register form, it shows the information before at the interface and enable us to change the information. The information updated will be shown at the student list.
